

Hands-on Surgical Skills Workshop [BP] Laparoscopic Technique

- **Hosted by:** Korean Study Group on Minimally Invasive Pancreas Surgery
- **Date:** March 28(Sat), 08:00-15:00
- **Venue:** K-TEC Olympus (Hotel ↔ Center shuttle provided)

Registration Information

- Eligibility

(1) Eligibility for participation in the hands-on workshop on laparoscopic pancreaticojejunostomy and hepaticojejunostomy in a porcine model is restricted to practicing hepatopancreatobiliary surgeons, surgical fellows, and senior residents who possess competence in laparoscopic techniques and prior exposure to complex biliary and pancreatic procedures.

본 워크숍은 복강경하 췌장공장문합술 및 간공장문합술의 원리를 이해하고, 실제 수술 환경과 유사한 동물모델(돼지)을 통해 정밀한 문합 술기를 습득하는 것을 목표로 합니다. 따라서 Hands-on Workshop의 참여 자격은 복강경 술기에 대한 검증된 숙련도를 보유하고, 복잡한 담도 및 췌장 수술에 대한 경험이 있는 간담췌외과 전문의, 전임의, 또는 고년차 전공의로 한정됩니다.

(2) CV submission is required for final confirmation of participation
